About the unit

In this unit children work on sounds and spellings. They continue to gain confidence in manipulating numbers. They learn some common adjectives and revise how to make simple feminine agreements. The unit is based on a simplified version of the story of Sleeping Beauty.

Where the unit fits in

As in Unit 8, children develop their confidence in speaking Spanish, have the opportunity to perform to an audience and enjoy using the language creatively. They consolidate and extend their knowledge of numbers by counting in multiples of 10.

Language

Core language

cuarenta 40

cincuenta 50

sesenta 60

ochenta 80

noventa 90

cien 100

alta/alta tall (m/f)

bajo/baja short (m/f)

verdadero true

falso false

Additional language for this unit

Había una vez Once upon a time

una princesa a princess

un príncipe a prince

una bruja a wicked fairy

la espada sword

un bosque a forest

un beso a kiss

¡Duerme 100 años! Sleep 100 years!

¡Despiértate! Wake up!

¡Cásate contigo! Marry me!

Additional language for teachers

La Bella Durmiente Sleeping Beauty

Todos fueron muy felices They all lived happy ever after

Prior learning

It is helpful if children already know:
• el padre and la madre
• masculine and feminine agreement of adjectives
• numbers 1–20.

New language

• Instructions
• Numbers in multiples of 10 up to 100
• Imperatives: tú form
• Adjectives: masculine and feminine singular agreement
• estar: está
• Phonic focus: revision of r and d (th); synthesising familiar words

Resources

• Sugar paper to make a story board
• Visuals to illustrate the characters in the simplified story of Sleeping Beauty
• ‘Stick’ drawings to illustrate the story
• Props for characters
• Word number cards for multiples of 10 up to 60, in envelopes
• Number cards for multiples of 10 up to 60
• Digit fans
• 100 squares
• Rough paper for Strip Lotto
• Large set of word cards for modelling sentence building
• Envelopes with word cards for sentence building

Links with other subjects

Primary framework for literacy: engage with and respond to texts, use knowledge of phonics, morphology and etymology to spell new and unfamiliar words, develop a range of personal strategies for learning new and irregular words, write consistently with neat, legible and joined handwriting, develop scripts based on improvisation, comment constructively on plays and performances, discussing effects and how they are achieved; tell stories effectively and convey detailed information coherently for listeners.

Primary framework for mathematics: read and write two-digit and three-digit numbers in figures and words (year 2); identify patterns and relationships involving numbers or shapes and use these to solve problems (year 3); identify and use patterns, relationships and properties of numbers or shapes; investigate a statement involving numbers and test it with examples.

Geography: use secondary sources of information.

Expectations

At the end of the unit

most children will:

understand and use numbers in multiples of 10, up to 100; develop their understanding of the way sounds are represented in writing; join in with parts of a story from memory; write short sentences that contain an adjective with an appropriate feminine agreement.

some children will have made so much progress and will:

recognize numbers in multiples of 10, up to 100; refer to visual clues when joining in with parts of a story; copy write using single words or short phrases; write and say phrases from memory, with clear pronunciation and meaning; produce extended descriptions in Spanish with attention to correct adjectival endings.
Unit 9 ¡Cuéntame un cuento! (Tell me a story!)

Section 1. Sleeping Beauty

- to listen for specific words and phrases (O4.2)
- to listen for sounds, rhyme and rhythm (O4.3)
- to compare traditional stories (IU4.3)
- to use mental associations to help remember words (LLS)
- to use context and previous knowledge to determine meaning and pronunciation (LLS)

The story board created here can be used throughout the unit for contextual support.

Text for a simplified version of La Bella Durmiente ('Sleeping Beauty'), organised into eight 'chapters':

Había una vez una princesa
Era dulce y muy guapa
Vino una bruja
La princesa se pinchó su bello dedo
Durmió cien años
Un bosque creció alrededor
Un príncipe muy guapo
Cortó las ramas con su espada
Encontró a la princesa
La despertó con un beso
La princesa se casó con su príncipe
Todos fueron muy felices.

Once upon a time there was a princess
She was sweet and pretty
A wicked fairy came
The princess pricked her lovely finger
She slept 100 years
A great forest grew all around
A handsome prince
Cuts the branches with his sword
He found the princess
He woke her with a kiss
The princess married her prince
They all lived happily ever after.

Follow-up: Throughout the week, read or tell La Bella Durmiente and practise the vocabulary with actions or pictures.

Follow-up: Use an internet search engine to find out whether other well-known traditional tales exist in Spanish.

You may prefer to use a different traditional tale in Spanish to this one.

Possible teaching activities

- Ask children to retell the story of La Bella Durmiente ('Sleeping Beauty') in pairs. Feed back as a whole class. Create a story board on sugar paper or on the interactive whiteboard.
- Introduce some key language for retelling the story in Spanish: una princesa, un príncipe, una bruja, un bosque, la espada, un beso. Try the following routine:
  - say the word or phrase as you display the picture and do an action
  - point to the pictures and children do the actions
  - children join in with actions and repeat the words. Some children will need more time and may focus on actions before producing the words
  - say a word and give an action. Children repeat only if they match
  - hide one or more of the pictures and ask children to give the action and say the word for the missing picture
  - say the word and children do the action. Repeat, vice versa. Invite individual children to lead the game.
- It may help some children to look at the words and phrases with a teaching assistant before the session.
- Read or tell La Bella Durmiente story (see 'Points to note') to the class. Children do the actions when they hear the key words and phrases.
- Repeat the story. Children join in with the actions and individual words if possible.
- Display a series of eight pictures with 'stick' drawings for each 'chapter'. Repeat the language from the story as you show each picture.
- Place the pictures in random order, numbered one to eight. Ask children to work with a partner to decide the correct sequence. They write the numbers on a mini-whiteboard. Encourage them to say the numbers they are using in Spanish.
- As a class, place the pictures in correct sequence. Repeat the language from the story as you refer to each picture.
- Ask children to retell the story of La Bella Durmiente ('Sleeping Beauty') in pairs. Feed back as a whole class. Create a story board on sugar paper or on the interactive whiteboard.

Learning objectives

- listen and respond to words and phrases with actions
- recognise and say key words in a story
- understand that stories from different cultures may be similar

Learning outcomes

- Children should learn
Unit 9 ¡Cuéntame un cuento! (Tell me a story!)

Section 2. Giving instructions

- to listen for sounds, rhyme and rhythm (O4.3)
- to read some familiar words and phrases aloud and pronounce them accurately (L4.3)
- to apply phonic knowledge of language to support reading and writing (KAL)
- to discuss language learning and share ideas and experiences (LLS)
- hear the r sound in Spanish words and phrases
- understand and respond to classroom instructions in Spanish
- understand that verbs change when giving an order in Spanish
- Text for the Spanish rhyme El perro de San Roque (you can find spoken and sung versions by using an internet search engine):

  El perro de San Roque
  No tiene rabo
  Porque Ramón Ramírez
  Se lo ha cortado.

  (San Roque's dog
  Doesn't have a tail
  Because Ramón Ramirez
  Cut it off.)

  This is used as a rhyme to choose players. Children stand in a circle and, as the rhyme is being said, one player points to each child in turn. The player who is pointed to on the last syllable is out.

  Follow-up: A collection of tongue twisters in many different languages can be found at: www.uebersetzung.at/twister.

  Follow-up: Throughout the week, practise El perro de San Roque.

  Follow-up: Build up a collection of tongue twisters with the r sound.

  Follow-up: Investigate tongue twisters in English or other languages spoken in the class.

  Link with literacy work: Children may have had experience of writing tongue twisters in year 4 in literacy.

  Link with literacy work: The last extension activity links to literacy work on writing instructions in year 3.

  Revise key words from La Bella Durmiente and repeat the actions.

  Write three sentences on the board:
  – Había una vez una princesa.
  – Un príncipe muy guapo.
  – Durmió cien años.

  Work with the class to decipher the meaning of the words. Children might be able to use their knowledge of English (or other languages) for a few of the words. Point out that this can sometimes be a valuable strategy to use.

  Read or tell the La Bella Durmiente story and children perform the actions. Some will be able to join in with the key words.

  Phonic focus: Display the words: princesa, príncipe. Say the words and ask children to comment on any sound that is different from English. Practise saying the r sound.

  Practise this r sound further by saying the nonsense tongue twister:
  Three tigers ate wheat in a wheat field.

  Extension: Revise key phonemes and allow children to practise identifying individual sounds. Give the children some counters, say a word and ask them to place a counter in front of them for every phoneme they hear. (Some children will need reminding that a phoneme is a single sound, made up of one or more letters.) Ask them ¿Cuántos fonemas hay? Compare with cuántas sílabas and cuántas letras. Words could include príncipe (eight phonemes), bella (four) and, as a real challenge, durmiente (nine). It is interesting that, in Spanish, the number of phonemes and number of letters in a word is usually the same or very close. Contrast some of these words with their English translations.

  With mimes, gestures and voice tone, give children a command that could later be inserted into the story as dialogue, such as ¡Duermes 100 años! (Sleep 100 years?). Ask children to guess what the command is and then stand up to practise it after you and then with a partner.

  Repeat the above activity with a couple of other commands, e.g. ¡Despiértate! (Wake up!) and ¡Cásate conmigo! (Marry me!)

  Extension: Children copy the commands as captions and illustrate them as prompt cards for use when rehearsing their end-of-unit performances. Alternatively, they can import pictures into a word-processing program and add a caption.

<td>Children should learn</td>
<td>to listen for sounds, rhyme and rhythm (LA.3)</td>
<td>can recognise multiples of 10 up to 100 in Spanish</td>
<td>As an alternative to teaching multiples of 10 up to 100 in one sequence, it may be more appropriate to spread this as a separate strand over a longer period of time.</td>
</tr>
<tr>
<td></td>
<td>to read and understand a range of familiar written phrases (L4.1)</td>
<td>begin to understand how the Spanish number system works</td>
<td>Follow-up: Throughout the week, practise counting in tens to 60 by playing Number Ping-Pong, Bingo or using a counting stick. Take opportunities to count in tens when going upstairs or during PE.</td>
</tr>
<tr>
<td></td>
<td>to use mental associations to help remember words (L5)</td>
<td></td>
<td>Follow-up: Play ¿Tesoro o basura? (Treasure or Rubbish?) to practise th and/or r sounds. Have a waste paper bin and a toy treasure chest (or boxes with pictures of these on). Tell the children that only items with a certain sound (such as it can go in the treasure chest) and that the rest is rubbish. Show the children a selection of objects and say each word. They decide whether it is tesoro or basura.</td>
</tr>
</tbody>
</table>

#### Children

- Revise sequential numbers 1-39 by chanting as a class, clapping or moving as you count.
- Play Number Ping-Pong where you 'bat' a number to the class and they 'bat' the following number back.
- Repeat, with numbers in random order, backwards or adding on two, three, four, etc.
- Read or tell the La Bella story and focus on the fifth line, (Durmió cien años). Ask children if they can remember or guess what cien años means?
- Discuss strategies for memorising words and why this similarity might help children to remember the word cien.
- Give pairs of children envelopes containing cards with multiples of 10 up to 60 written in Spanish. They work together to put the cards in the correct order. You can tell them what is in the envelope before the task or ask them to work it out for themselves.
- Children feed back on strategies they used to work on their task. Discuss which numbers were particularly difficult to work out.
- Using cards with numbers on them, say each number and children repeat.
- Display the numbers on the board and point to them in random order. Say the word and children repeat. You may wish to clap the syllables to reinforce the words.
- Say a number and hold up a card. Children repeat only if they match.
- Play Pom, pom (Knock-Knock). Display the numbers on the board and split the class into two teams. Invite a child from each team to come to the board. Say a number and the first child to knock on the correct card wins a point for their team.
- Use digit fans to play Enséñadme (Show Me). Say a number. Children have 10 seconds to discuss in pairs and then show the number with their fans.
- Extension: Give children addition or subtraction questions, e.g. *diez + diez = veinte* + *diez =
- Some children will need to spend more time on the lower numbers before moving on to 70-100.
- Display the written form of the numbers on the board, this time including 70, 80, 90 and 100. Do they notice any similarities or patterns between the words?
- Go through the numbers orally. Children repeat and point to them on a 100 square.
- Children work in pairs to find as many different ways as possible to make 50. They feed back their ideas, saying the numbers in Spanish.

#### Learning outcomes

- can recognise multiples of 10 up to 100 in Spanish

#### Points to note

- As an alternative to teaching multiples of 10 up to 100 in one sequence, it may be more appropriate to spread this as a separate strand over a longer period of time.
- Follow-up: Throughout the week, practise counting in tens to 60 by playing Number Ping-Pong, Bingo or using a counting stick. Take opportunities to count in tens when going upstairs or during PE.
- Follow-up: Play ¿Tesoro o basura? (Treasure or Rubbish?) to practise th and/or r sounds. Have a waste paper bin and a toy treasure chest (or boxes with pictures of these on). Tell the children that only items with a certain sound (such as it can go in the treasure chest) and that the rest is rubbish. Show the children a selection of objects and say each word. They decide whether it is tesoro or basura.

### Continued over
### Section 4. Descriptions

**Learning objectives**

- to listen for sounds, rhyme and rhythm (O4.3)
- to write simple words and phrases using a model and some words from memory (L4.4)
- to recognise and apply simple agreements (KAL)
- to reinforce and extend recognition of word classes and understand their function (KAL)
- to sort words into categories (LLS)
- to apply knowledge about letters and simple grammatical knowledge to experiment with writing (LLS)

**Possible teaching activities**

- Play Strip Lotto to revise numbers. Each child has a strip of paper divided into six sections. They write down any six multiples of 10 (between 10 and 100) one number per section. Call out numbers in random order and children rip off the number if they have it at either end of their strip. The child who is the first to hold only one number is the winner.
- Recap key words from the La Bella Durmiente story. Do the actions and encourage children to say the words in Spanish. Get them to say as much of the story as they can, in Spanish or English.
- Show pictures of the characters (princess, wicked fairy and prince). Ask children how they would describe them in English. Explain that they are going to be looking at adjectives in Spanish.
- Ask children what they notice about the sentences. Invite them to sort the sentences into two groups, either on cards or the interactive whiteboard.
- Highlight the el/la words and the o/a on the end of the adjectives.
- Show the following table on the board and show by gestures the meanings of guapo, malo, alto and bajo (handsome, bad, tall and short):

<table>
<thead>
<tr>
<th>Masculine</th>
<th>Feminine</th>
</tr>
</thead>
<tbody>
<tr>
<td>guapo</td>
<td>guapa</td>
</tr>
<tr>
<td>malo</td>
<td>mala</td>
</tr>
<tr>
<td>alto</td>
<td>alta</td>
</tr>
<tr>
<td>bajo</td>
<td>baja</td>
</tr>
</tbody>
</table>

- Colour-code each box for masculine and feminine as you read out the words.
- Display the words and pictures for la princesa, el príncipe, la bruja. Model writing a sentence, eg La princesa es guapa. Ask children to translate. Model another one or two sentences. On mini-whiteboards, children work in pairs to write a sentence using the table and other words on the board. Take feedback from the class.
- Children write three more sentences. Some children will need support with these writing activities, such as word cards that are colour-coded or numbered on the back for each part of the sentence.
- Extension: Children read out their sentences in different voices to reflect the characters.
- Extension: Children write extended sentences using y, eg El príncipe es guapo y alto.

**Learning outcomes**

- respond to multiples of 10 and say them in chorus
- recognise adjectives and nouns in Spanish
- apply simple agreements to adjectives
- write simple sentences with support

**Points to note**

- Follow-up: Throughout the week, play Strip Lotto at the end of the day.
- Follow-up: Children investigate how adjectives are used in English. Is it different from Spanish? Do the endings change? This links to literacy work in year 3 where children compose sentences using adjectives, verbs and nouns for precision, clarity and impact.
- The interactive whiteboard is an excellent way of helping children to make sense of the concept of agreement of adjectives. Once you have established a colour code, there are various ways of reinforcing the ending of the adjective. For example, make the last letter of the feminine form the same colour as the background of the screen, so that it is invisible until moved into a cell or box with a different colour that is the ‘feminine’ colour.
Unit 9 ¡Cuéntame un cuento! (Tell me a story!)

### Learning objectives

- Children should learn
  - to apply the knowledge, skills and understanding in this unit
  - to tell a story effectively
  - to perform in front of an audience
  - to give children an opportunity to rehearse their performance
  - to invite each group in turn to perform their story to the class.

- to memorise and present a short spoken text (L4.1)
- to practise new language with friends (LLS)
- to plan and prepare for a language activity (LLS)

### Section 6. Tell me a story!

- to memorise and present a short spoken text (L4.1)
- to practise new language with friends (LLS)
- to plan and prepare for a language activity (LLS)

### End-of-unit activities

- **Learning objectives**
  - Children
  - Learning outcomes
  - Points to note

- **Points to note**
  - Encourage children to work in mixed-ability pairs or groups, or with a teaching assistant, when completing their written tasks.
  - Grammar note: There are two verbs ‘to be’ in Spanish. In Aquí está la bruja (Here is the wicked fairy), estar is used in order to indicate location or position. In La bruja es mala (The wicked fairy is bad), ser is used because this is a descripton.
  - Follow-up: Children practice introducing each other using the new language and dramatic expression, eg Aquí está Shaun. Shaun es alto. Aquí está Melissa. Melissa es baja. Do this as part of a circle time activity, where the class discuss how important it is to be sensitive to the feelings of others.

- **Learning outcomes**
  - to learn the three characters to their audience before telling the story or presenting any dialogue.
  - to use props (eg a sword and crown for the prince) to demonstrate: Aquí está el príncipe. El príncipe es ... (The prince is ... ) Elicit some adjectives from children to describe the prince. Repeat for the other characters.
  - to give children pictures or a worksheet with illustrations of the main characters and elements of the story. They write sentences to describe these using the structure in the table used in the previous session. Some children will need to work with a writing frame and word bank when constructing their sentences. For example, they may be asked to insert an appropriate noun or adjective only.
  - Children use props to share their sentences with the rest of the class, eg Aquí está la bruja. La bruja es mala.
  - Children work in pairs or groups and are given envelopes containing word cards. Use familiar nouns or cognates and adjectives from the previous session plus some cards showing adjectives. Give children a time limit to build at least three sentences and display them on their table.

- **Possible teaching activities**

  - **Display a series of sentences with visual support on the board, eg El príncipe es alto. Children work in pairs to decide whether they are verdadero or falso (true or false).**
  - **Model sentence building by using word cards on the board or in a human sentence, eg el/príncipe/es/guapo.**
  - **Discuss with children why guapo is spelt with the o.**
  - **Children work in pairs or groups and are given envelopes containing word cards. Use familiar nouns or cognates and adjectives from the previous session plus some cards showing adjectives. Give children a time limit to build at least three sentences and display them on their table.**
  - **Explain to the class that they will be performing La Bella Durmiente and that they will need to introduce the three characters to their audience before telling the story or presenting any dialogue.**
  - **Use props (eg a sword and crown for the prince) to demonstrate: Aquí está el príncipe (Here is the prince), El príncipe es ... (The prince is ... ) Elicit some adjectives from children to describe the prince. Repeat for the other characters.**
  - **Give children pictures or a worksheet with illustrations of the main characters and elements of the story. They write sentences to describe these using the structure in the table used in the previous session. Some children will need to work with a writing frame and word bank when constructing their sentences. For example, they may be asked to insert an appropriate noun or adjective only.**
  - **Children use props to share their sentences with the rest of the class, eg Aquí está la bruja. La bruja es mala.**

### Section 4. Writing the story

- **Learning objectives**
  - to memorise and present a short spoken text (O4.1)
  - to practise new language with friends (LLS)
  - to plan and prepare for a language activity (LLS)

### Section 3. Performing the story

- **Learning objectives**
  - to perform a story in front of an audience
  - to recall and describe the agreement between nouns and adjectives

### Learning outcomes
