

# Greetings Su Doku

**Good morning!**

**Good night!**

**Good afternoon!**

**Goodbye!**

	<b>Goodbye!</b>	<b>Good morning!</b>	<b>Good night!</b>
		<b>Good afternoon!</b>	
	<b>Good afternoon!</b>		
<b>Good night!</b>	<b>Good morning!</b>		

# Tips to solve the puzzle:

This grid is composed of 4 (2x2) squares.

To do this Su Doku, you must fill in the blank boxes so that every column, row and mini (2x2) square contains one of each of the four words.

1. Look at each (2x2) square, you can complete 2 of them easily with the missing words.
2. Now, Look at the second column. Which word is missing?
3. Look at the second row, you can complete it.
4. Look at the top left (2x2) square. You can complete it.
5. Look at the 3rd column. There is only one solution to position the missing words as the third and fourth row already contain one of them.
6. Repeat the reasoning for the fourth column.... Well done!
