

Wendy's shop

Wendy has a shop.

What does she sell in her shop?

She sells: tins of beans ... and ... buckets of sardines.

She sells: bottles of snails ... and ... cups of tails.

She sells: packets of crisps ... and ... portions of chips.

She sells: boxes of brooms ... and ... mugs of mushrooms.

She sells: barrels of flies ... and ... glasses of eyes.

She sells: pans of cash ... and ... cans of mash.

She sells: jugs of ham ... and ... jars of jam.

She sells: bowls of bones ... and ... crates of stones.

She sells: baskets of bears ... and ... plates of pears.

Everything you need ... for the perfect potion.

This is because ...

Wendy: I am a witch!
