

I love you as much as...

I love you as much as...
...the kite loves the wind.

I love you as much as...
...the owl loves the moon.

I love you as much as...
...the mermaid loves the sea.

I love you as much as...
...boots love the rain.

I love you as much as...
...glasses love the sun.

I love you as much as...
...the vampire loves the night.
