

Nonsense!

The queen of England lives in Brazil.

Italy is in south America.

Goldfish can fly.

Cornflakes are delicious with mustard.

My mum takes me to school in a space rocket.

Snails eat ants.

Elephants can climb trees.

The shape of the Earth is a cube.

Can you turn this nonsense into something true?

Riddles

I am not a bird, but I can fly.
I eat insects and fruit.
I'm dark.
I sleep upside down.

I'm yellow and round
I'm the same size as an apple
You can't eat me
You hit me with a racquet

I'm something you do every day.
I'm also an Olympic sport.
You use your legs to do this.
It's slower than running.

Every country has one.
I have different colours.
I need wind to fly.
The British one is red, white and blue.

I'm a sport.
I'm usually done by men.
You need to be powerful and quick.
Muhammad Ali is the most famous man who has played this sport.
You wear shorts and gloves.

I'm brown on the outside.
I'm white on the inside.
I'm hard and you can eat or drink me.
I'm hairy.
I grow in hot countries.

I'm something English people eat for breakfast.
I'm hot.
You can put butter and jam on me.
I'm cooked bread.

I'm a beautiful animal.
I'm found in Africa.
I have the first and last letters of the alphabet in my name.
I'm like a horse.
I'm striped.

Silly elephant jokes

How do you put an elephant in a fridge?

1. Open the door.
2. Put the elephant in.
3. Close the door.

How do you get a giraffe in a fridge?

1. Open the door.
2. Take the elephant out.
3. Put the giraffe in.
4. Close the door.

The lion, the king of the jungle decides to have a party. He invites all the animals in the jungle. They all go except one. Which one?

The giraffe because he is still in the fridge.

There is a river. You must cross it. Crocodiles normally swim in this river. How do you cross it?

Swim across because the crocodiles are at the lion's party.

How do you know there are two elephants in your fridge?

The door will not close.

How many legs does an elephant have?

Four, two in the front and two in the back.

How do you know if there is an elephant under your bed?

Your nose is touching the ceiling.

What happens when an elephant sits in front of you at the cinema?

You can't see the film.

How do elephants talk to each other?

They talk by telephone.
